

# MC0114028-R Portable Antenne 2,4 GHz

## Mini-Stabantenne 2,4 GHz

### Technical Data

#### Unique Features

Flexible element, clutch allows 360° rotation,  
right angle knuckle adjustable 0 – 90°

#### Electrical Properties

Frequency Range:	2.4~2.5 GHz
Impedance:	50 Ohms
VSWR:	1.5 max at resonance
Gain:	2 dBi
Radiation:	omni, 1/2 wave coaxial dipol
Polarization:	linear, vertikal
RF Power Handling:	50 W

#### Mechanical Properties

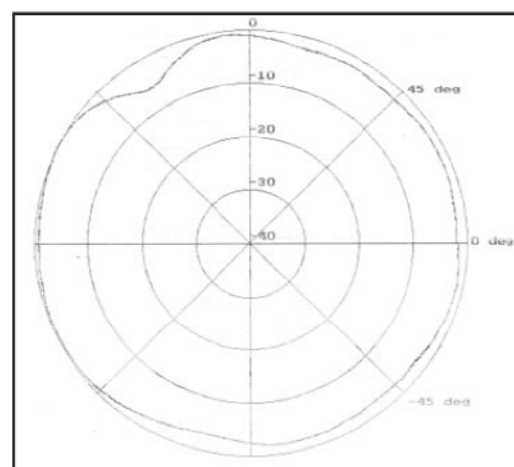

Standard Connector:	R-SMA male
Total Length:	107.5 mm
Antenna Cover:	polyurethane
Color:	black
Temperature Range:	-40 °C~+80 °C

### Radiation Pattern

vertical

horizontal
